Icerink Höchstadt - Herzogenaurach	urban bus	50-60		193 €			
Icerink Höchstadt - Erlangen	urban bus	50-60		190 €			

*The number of possible passengers per bus can also vary greatly. Please send your request to the bus company with reference to the respective offer or your travelling route and the required number of people (traveling by an urban bus is cheaper than by a touring coach and usually more people can travel). Please note that requests must be made in advance (weeks/months before) so that sufficient drivers/coaches are available. The company is quickly fully booked a few days before the competition.*
